# Publisher Direct Pricing Book Advertising

**Introduction**

**Publisher Direct Sales  
Pre-Print and Standard Pricing**

**Book Advertising Program**

**Presented Book**

**Sample Content**

House of Sanctuary opens it's doors to offer  
the small to medium sized bookstores an advantage  
over the retail and distribution giants.

**Welcome** to information on Publisher Direct Sales and Pre-Print Advertising

This is the age of the entrepreneur and for changes in how businesses operate. House of Sanctuary is one of the innovated businesses that have embraced doing things a little different to offer higher profits for everyone. We pride ourselves on publishing books that have excellent potential, good mass-market sales, and to those that can be best sellers in niche markets.

## Publisher Direct Sales

Publisher Direct Sales are distributors prices. Yes, now any business can purchase directly from us. House of Sanctuary (HOS) offers low cost direct distribution prices to the distributors *and* to bookstores. Now, individual retailers can purchase at the same price that we sell to distributors.

It is difficult for anyone, but the giants, to purchase at fabulous prices. Distributors are the industry's middlemen adding commissions, royalties and discounts. House of Sanctuary will only work directly with Distributors that are interested in Publisher Direct Sales, purchasing under the same contract as the individual retailer.

## Pre-Print Publisher Direct Sales

You may elect to make a Pre-Print Purchase to insure that you are one of the first to receive your books. Pre-Print orders always receive priority and will be filled prior to Standard After Print orders. When the numbers of Pre-Print orders exceed our anticipation, House of Sanctuary will attempt to contract a better print price. When possible these savings may be passed to Pre-Print Publisher Direct Sales Orders but shall not alter the After Print pricing.

# Book Advertising Programs

We have created a way for both of us to take full advantage of our newest release. Introducing another ingenious concept, HOS allows advertising in the Presented Book. A maximum of ten printed pages shall be allowed in the final five pages of the book mentioned. Full page and half page ads are offered on a first come – first served basis.

No matter who your clientele are you can take full advantage of our Book Advertising Programs. Each Presented Book may have different pricing depending on the book, the author, and the size of your advertisement, the number of pre-print books purchased, and the size of the print run. Of course, a second print run of a title will be more since the book would be a proven seller. Pricing schedules that differ from those listed in the included contract shall be offered under separate cover at a later date.
